Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding eleven (11) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of this potential layoff on March 15, 2010. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses. The proposed reduction involved eleven non-management employees in the Network and Computing Services organization. All of these employees were given the opportunity to follow their work to a new AT&T work location, but chose not to do so, and thus were laid off. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

*Sharon Mullin*
